

## ❖ Skin Care (Facials)

A regular skin care regime is vital in maintaining a healthy and vibrant skin. We have designed treatments that will suit your skin condition. Full facials include double cleansing, facial scrub, facial massage, ozone, extraction (if needed), mask, toning, vitamin serum and moisturizing.

We use organic products B-i-o

60 minutes \$60

90 minutes \$80

## ❖ Body Exfoliation

Body exfoliation stimulates circulation, detoxifies and removes dead skin cells. Sea salts are combined with various oils to cleanse, exfoliate and moisturize in this treatment. The salt exfoliates the dead skin and helps smooth the skin's surface and reduces wrinkles and skin's roughness.

60 minutes \$65

90 minutes \$85

## ❖ Foot Reflexology

Reflexology sessions are primarily intended to improve the body circulation and to assist the body in speeding up the elimination of waste products, so that toxins do not have a chance to build up to harmful levels in the liver, kidneys, or bowel. Massage with fingers and thumbs pressed firmly into the hand and foot pressure points.

services available for men and women by thai male and female therapist

## ❖ **Traditional Thai Massage (Thai Yoga Therapy)**

Thai massage is an ancient system of healing dating back 2,500 years with its roots in yoga, Ayurvedic medicine, and meditation. This unique and complete system combines soft tissue pressing, stretching, gentle twisting and joint manipulations. Release tension and stress, increase vitality. That massage is the natural therapy for flexibility relaxation and energy balance.
